301-831-7507 or 410-795-8395**

[www.belquest.com/news.html](http://www.belquest.com/news.html)

## OFA Cardiac Testing

**Heart Auscultation \$45.00 ♦ Heart Echocardiogram (with Doppler)  
\$200.00**

By Board Certified Veterinary Cardiologists Dr. Risa Roland DVM, DACVIM  
& Dr. Luis Braz-Ruivo, DVM, DVSc, DACVIM

*\*Limited number of appointments – Paid in Advance, on first come basis\**  
Exams will be performed for OFA clearance. Clinic fees do NOT include OFA registration. Owners will be provided a copy of their results and can register their dog by mailing the form to OFA with the registry fee. For more information, visit <http://www.offa.org/cardiacinfo.html>

## CERF Eye Exam - \$40.00

By Dr. Nancy M. Bromberg, VMD, MS, DACVO. The CERF eye exam is a general eye exam that screens for genetic and non-genetic abnormalities in dogs. \$40.00 fee does NOT include CERF registration. Owners will be provided a copy of their CERF results and can register their dog by mailing the form to CERF with the registry fee. Plan to arrive 30 minutes PRIOR to your CERF appointment time since dog's pupils need to be dilated prior to seeing the vet.

## Optigen DNA Testing

Testing provides DNA based diagnosis and information about inherited diseases in dogs. Visit <http://Optigen.com> to view the complete list of genetic test and cost. A 20% discount will be provided to their listed fees when you use the clinic code **BK123** (code is good from 02/25/12 to 03/12/12). You can receive an additional 5% discount if you register online.

If you pay online, bring the completed Optigen form and payment receipt with you to the clinic. Otherwise, bring a completed Optigen form and check (payable to Optigen) for the amount of your test. A clinic fee of \$5.00 is charged for the cost of DNA swabs and shipping to Optigen. Results will be mailed to the owners directly from Optigen.

**Microchips or Tattoos - \$25.00**
